

Full Time Pastor

April 25, 2024

Cornerstone Community Evangelical Free Church, Picture Butte, Alberta

CCEFC is a **Christ-centered**, Gospel focused church that exists to worship God and glorify Him by making devoted disciples of Jesus Christ who love God, who love each other, and who share and show the Good News of Jesus in both word and deed.

Our pastor of 16 years will soon be looking to transition out of the lead role. As such, we are currently seeking a fulltime pastor who would serve in the associate role for a season, before eventually taking over the lead role. We also invite applicants who are ready and willing to step into the lead role immediately.

We want to be open and flexible to whomever the Lord might send our way, but first and foremost the applicant must have a strong passion and commitment to Jesus Christ and His church. In a reasonable, consistent, and growing way, the candidate will also meet the qualifications of elder outlined by the apostle Paul in 1 Timothy 3:1-7, and Titus 1:5-9.

It is of vital importance that we hire a pastor who pursues the Lord with all his heart, who is serious about personal holiness, and who desires to be conformed to the image of Christ. Additionally, our new pastor must be able to preach and teach the Christ-centered Word with accuracy and faithfulness to the biblical text, and with relevance to our present day lives. Finally, the successful applicant must be a shepherding, disciple making pastor who is eager to train up godly servants and leaders in the church.

CCEFC is a true community church ministering to people from diverse social, denominational, and ethnic backgrounds. We are a multi-generational church with many young families attending. As such, we have dynamic Sunday school and youth ministries. In addition, many of our adults attend mid-week community group Bible studies. Our missions' commitment currently includes supporting local, national, international Gospel efforts. Our weekly attendance is typically between 125 and 150 people. Picture Butte is a vibrant, growing, full-service small town located just 20 minutes north of Lethbridge AB.

The ideal candidate will have a minimum of 5 years of pastoral experience in addition to Bible college or seminary training. Salary will commensurate with experience. Compensation package will also include a health benefits plan, expense account, and professional development allowance.

CCEFC is affiliated with the Evangelical Free Church of Canada. Our leadership and members align with EFCC core beliefs. Our Statement of Faith is accessible on our website: www.cornerstonepicturebutte.com/what-we-believe/

Please respond in confidence with your resume including experience, education and references to: **CornerstoneCommunityPB@gmail.com**
